22614VIC - Certificate II in Building and Construction Pre- apprenticeship (Carpentry)

About the Course:

This pre-apprenticeship course will provide you with the opportunity to gain carpentry skills and knowledge at a beginning level.

The completion of a carpentry pre -apprenticeship course in a senior secondary environment has many benefits including:

- assisting you to decide if you are suited to a trade career.
- being the preferred pathway of many building and construction sector employers when employing apprentices to complete Certificate III qualifications, and
- providing useful skills for future domestic/D.I.Y. building and construction projects.

Learners completing this course will be job-ready to undertake an apprenticeship within the building and construction industry sectors.

Course Entry Requirements:

Course applicants must meet the following selection criteria

- Be enrolled in Years 10, 11 or 12 in secondary education, or
- Satisfactory completion of a language, literacy, and numeracy test

PARADE COLLEGE

RTO Number 40750

Credit Transfer and Recognition of Prior Learning

Credit Transfer (CT) is the recognition by a registered training organisation (Parade College) of the qualifications, certificates and/or statements of attainment issued by other registered training organisations, universities and TAFEs. While Recognition of Prior Learning (RPL) recognises the knowledge and skills you have gained through previous informal training, and past work and life experience.

If you think that you might be able to apply for CT or RPL, talk to the Executive Officer - RTO, preferably before course commencement.

Further Training and Employment Pathways

Further Training:

After satisfactorily completing the Certificate II Building and Construction Pre-apprenticeship (Carpentry Stream) graduates may undertake a range of related units and qualifications to further develop their training.

Employment:

After achieving Course 22614VIC graduates may commence an apprenticeship in the building and construction industry (Carpentry)
