GROOMING

Whilst Parade Part Time students are allowed to have long hair, hair length past their collar must be tied up and a hair net always worn whilst in the trade centre – this ruling applies to all students, male or female. Teachers can provide the hairnets to students upon request.

UNIFORM/PPE

For subjects that require a specific uniform as outlined in the Uniform/Equipment List – all students are required to always wear the correct uniform during their training – no exceptions unless due to medical reasons which requires prior approval. If a student is not wearing the correct PPE they will be sent home on their training day which can have an impact on their progress.
