JEWELLERY

Students will be asked to remove jewellery and confiscated items will be placed in an envelope which can be collected at the end of the day.

GROOMING

Whilst Parade Part Time students are allowed to have long hair, hair length past their collar must be tied up and a hair net always worn whilst in the trade centre – this ruling applies to all students, male or female. Teachers can provide the hairnets to students upon request.

UNIFORM/PPE

For subjects that require a specific uniform as outlined in the Uniform/Equipment List – all students are required to always wear the correct uniform during their training – no exceptions unless due to medical reasons which requires prior approval. If a student is not wearing the correct PPE they will be sent home on their training day which can have an impact on their progress.
